

**2011 MCAS CHRISTMAS BIRD COUNT  
SIGN UP FORM**

The 2010 Morro Coast Audubon Christmas Bird Count will be on **December 17** this year. Sector maps and descriptions are available on line at [http:// morrocoastaudubon.org](http://morrocoastaudubon.org). Please indicate below how you wish to receive the information. You have the option to sign up on line if you wish.

There are 54 sectors within the count circle, with 4 of these sectors requiring a canoe or kayak. Some sectors are relatively small, allowing you, the counter, to do more than one if desired. **While it is desired to assign participants to requested sectors, it is not always possible. Please allow for flexibility**

By November 28, please send your completed form and a check totaling \$5.00 **for each participant. Registrations will be assigned as sector availability allows. Check to be made payable to MCAS and sent to:**
