

MCAS needs “Bright Ideas”

Do you or someone you know have some “bright ideas” you wish to share? Then MCAS needs YOU! MCAS is soliciting new ideas for fundraising to help raise money for Sweet Springs, educational programs, and conservation efforts. At this time, MCAS is searching for a Fund Development Chair to complete the Board of Directors. In addition to bright new ideas, the Fund Development Chair would be responsible for directing the MCAS annual fund drive, soliciting business memberships and renewals, and planning one or two fundraising (or “fun”raising) events per year. If interested in sharing your ideas or becoming the Fund Development Chair, please contact Stephanie Little (stephjoy13@hotmail.com) or Jan Surbey (jansurbey@earthlink.net).
